

FISCAL NOTE

SB 3629 – HB 3401

February 7, 2008

SUMMARY OF BILL: Requires that petitions to recall a city council member in a municipality with a charter form of government must be signed by 33 percent of eligible voters.

ESTIMATED FISCAL IMPACT:

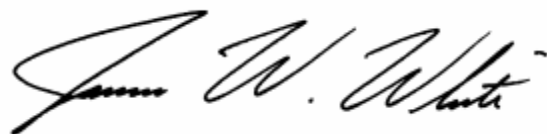

Decrease Local Expenditures – Not Significant

Assumptions:

- Increasing the number of signatures required will result in fewer recall votes and a decrease in election costs.
- However, recall petitions occur infrequently and will occur even more infrequently with the increase in the number of signatures required. Therefore any decrease in local government expenditures will not be significant.
